WOMEN IN ISLAMIC TOURISM ECONOMY

OVERVIEW

“Tourism provides better opportunities for women’s participation in the workforce, women’s entrepreneurship, and women’s leadership than other sectors of the economy.”
– World Bank Group.

The Islamic Tourism Centre, with the support of the Ministry of Tourism, Arts and Culture (MOTAC), is organising a Virtual Forum on Women in Islamic Tourism Economy, and we’re inviting everyone – both women AND men who are in the tourism industry and who are travellers themselves – to join us for some interesting perspectives.

- Get inspiration about how innovators are making travel more safe, inclusive, and meaningful for women
- Learn about the challenges as a woman traveller or a woman in the tourism workforce, and how to overcome them
