About Malaysian Technical Cooperation Programme (MTCP)

The Malaysian Technical Cooperation Programme (MTCP) was officially launched on 7 September 1980 at the Commonwealth Heads of State Meeting in New Delhi, India, to signify Malaysia's commitment to the South-South Cooperation, in particular, the Technical Cooperation among Developing Countries (TCDC).

The MTCP emphasizes on the development of human resources through the provision of trainings in various areas which are essential for a country's development such as the public administration, good governance, health, education, agriculture, sustainable development, poverty alleviation, economy and finance, ICT and environment. Annually, Malaysia offered more than 65 capacity-building and technical assistance programmes under the MTCP, which have benefited more than 34,000 participants from 144 countries.

OBJECTIVES OF MTCP

- To share development experiences with other countries;
- To strengthen bilateral relations between Malaysia and other developing countries;
- To promote South-South Cooperation (SSC); and
- To promote Technical Cooperation among Developing Countries (TCDC)

ABOUT SECURITIES INDUSTRY DEVELOPMENT CORPORATION (SIDC)

The SECURITIES INDUSTRY DEVELOPMENT CORPORATION (SIDC) is the leading capital market learning and development solutions provider for industry participants in Malaysia and the growth emerging markets that include market professionals, company directors and regulators. Established in 1994 as the learning and development arm of the Securities Commission Malaysia (SC) and incorporated in 2007, SIDC has been a standard-bearer of quality and innovation for over two decades.

As the capital market industry's partner in learning and development, SIDC works hand in hand with the industry through consultations and collaborations to design, develop and deliver training programmes that raise the standards of participants and support market growth. At the same time, we provide strategic consulting services and industry insights, frequently partnering with government agencies and international organisations to carry out capacity building initiatives for market regulators and industry players.

SIDC's involvement in the development of human capital for the Malaysian capital market is comprehensive and end-to-end. We work closely with the SC to establish competency standards for the industry – developing, maintaining and administering the SC Licensing Examinations and the mandatory Continuing Professional Education (CPE) programme as part of the licensing regime for Malaysia's capital market intermediaries. In addition, we contribute to the capital market pipeline through our fit-for-purpose graduate development programmes.

In support of the SC's investor protection mandate, SIDC also conducts public investor education programmes on behalf of the SC with the aim of creating informed and prudent capital market investors.

SIDC's extensive experience and track record in producing high-calibre programmes for a wide range of target audiences has earned us a reputation synonymous with professional excellence, acknowledged by international institutions such as the International Organization of Securities Commissions (IOSCO), the Asian Development Bank (ADB), the Asia-Pacific Economic Cooperation (APEC) and ASEAN.
