IMEC EXPO 2022 – Driving the Vibrant Asian Medical Markets

International Medical Exhibition & Conference 2022

Introduction

- * Established in 2018, IMEC Expo Sdn. Bhd. is a Malaysian company comprised of experienced exhibition organisers, who were previously involved in the planning, organising and marketing of the last three successful editions of the International Rubber Glove Conference & Exhibition.
- * Acknowledging the potentials and strengths of Malaysia to become a Regional Medical Hub for Asia, the International Medical Exhibition & Conference (IMEC Expo) was initiated.
- * The IMEC Expo offers a new and alternative platform for the global medical and healthcare industries to enhance their reach into the fastest growing region in the world – Asia.
- * This event would be a prime avenue for businesses to showcase their products and services, develop and nurture valuable business relationships with decision-makers as well as keeping abreast with the latest developments in the industry.
- * At IMEC Expo, we firmly believe in the importance of interpersonal relationships and understand that there is still potential to reach out to even more audiences and develop new business opportunities with our hybrid approach.

Event Details

- * The International Medical Exhibition & Conference (IMEC Expo) 2022 is the latest and potentially the largest medical exhibition to be organized in Malaysia with more than 500 booths available to house over 300 exhibitors across three exciting days.
- * Details of the event are as follows :
 - Date : 19 – 21 July 2022 (Tuesday – Thursday)
 - Time : 9 a.m. – 6.00 p.m.
 - Venue : Kuala Lumpur Convention Centre (KLCC)
- * The IMEC Expo would take place in a hybrid format with emphasis on the physical aspect of the event.
