

## COMEX – Oman's Technology & Communications Show 2022

**Date:** 23 May - 25 May 2022

**Place:** EXHIBITION HALLS 3-5

**Working time:** 09:00 AM - 08:00 PM

**Event website:** <https://comex.om/2022/>

Welcome to the 31st Edition of Comex – Oman's Technology Show. It has been serving as a sourcing and networking hub for Oman technology market and continues to be one of the Gulf's leading platforms for ICT procurement, new product launches and technology demonstrations.

Every year, top ICT elites, innovators and entrepreneurs from around the world join us to showcase the most advanced and innovative ICT products, attracting more than 5,000 local and international trade visitors from Government and private sectors. This year special emphasis is being given to Oil & Gas, Transport & Logistics, Investments in ICT, Education, Healthcare, Banking & Finance, Tourism, Retail and Manufacturing at Comex 2022
