Some national pavilions already expressed interest in exhibiting!

Danish companies are always looking into new market opportunities and I believe that the Kansai region holds a great potential for F&B companies who wants to expand their business in Japan. The World Expo in 2025 will attract global attention to the region and we are ready to explore what opportunities FOODEX KANSAI 2022 can bring!

Why Osaka and Kansai Region Now?

The tourist industry in Kansai region is expected to be rejuvenated in the post-COVID-19 world!!

Improving infrastructures, such as building integrated resorts in Yumeshima area, developing the Expo sites, maintaining ports, expanding subways, and redeveloping Umeda and Nakanoshima, have started for the EXPO 2025 OSAKA, KANSAI!!!
