

**The State Development Bank of Turkmenistan announces tender for installation of drip irrigation system**

**18.05.2022//21.06.2022**

The State Development Bank of Turkmenistan announces an open tender for the design, installation and commissioning of a drip irrigation system for irrigating seedlings located on 200 hectares of land in the Altyn Asyr settlement in Ak Bugday district of Ahal province, east of the 44-kilometer section of the Ashgabat-Dashoguz highway

Tender documents can be obtained from the administrative building of the State Development Bank of Turkmenistan.

Bids are accepted in sealed envelopes within 30 calendar days from the date of publication of the announcement.
