VENUE ANNOUNCEMENT:

The event will now be held at the Laico Tunis Spa and Conference Center

Program Includes:

Opening Ceremony

MEDiNA will kick off with an unparalleled opening ceremony, featuring opening remarks by the conference chair followed by a ministerial address and concluding with a keynote address by a top leader in the industry.

Over 16 Hours of Technical Presentations

We have put together a robust program that will give attendees the chance to learn from the best, engage with their industry colleagues, and ultimately gain new inspiration, insights, and developments on the industry.

Insightful and Inspiring Panel Sessions

The event will encompass engaging panel discussions with the objective of exchanging knowledge and best practices of the Mediterranean and North African oil and gas industry.

CONFERENCE THEME:

NEW EXPLORATION OPPORTUNITIES AND ENERGY RESOURCE CHALLENGES

Abdelwaheb Khammassi

General Chair, MEDiNA Conference and Exhibition

President and CEO, ETAP
