## CONFERENCE ON INTERNATIONAL AIR TRANSPORT COOPERATION 2022

5 - 6 July, 2022 | Grand Hyatt Incheon, Republic of Korea

## Invitation

It is a sincere privilege and a pleasure to invite you to the Conference on International Air Transport Cooperation 2022 (CIAT 2022), which will be held at the Grand Hyatt Incheon, the Republic of Korea from 5 to 6 July 2022.

Hosted by the Ministry of Land, Infrastructure and Transport (MOLIT) of the Republic of Korea (ROK), the CIAT has occurred every three years to provide an opportunity for participants from government, international organization, academia, and industry to gather a deeper understanding of changes in the aviation industry. Since its launch in 2004, the CIAT has positioned itself as one of the largest international conferences on aviation held in Korea.

This year's CIAT will be held under the theme of "Leap Forward to Better Skies" to highlight Korea's 70 years of ICAO membership as this year marks the 70th anniversary of Korea becoming a member of ICAO. In particular, the upcoming conference will explore future trends and potential socio-economic challenges faced by the global civil aviation sector, while exchanging valuable ideas to strengthen partnerships and cooperation on aviation.

In these uncertain times, I genuinely hope that this conference will look to enable the safe and efficient recovery of aviation from the global COVID-19 pandemic and strive towards sustainability.

I sincerely look forward to welcoming you to CIAT 2022 in Incheon, Korea.

Thank you.

Won Hee ryong

Minister of Land, Infrastructure and Transport  
Republic of Korea
