1. Introduction to China (Wenzhou) Int'l Pump & Valve Fair

China (Wenzhou) Int'l Pump & Valve Fair held in Wenzhou Olympic Sports Convention & Exhibition Center during November 11-13, 2022 is a provincial key professional exhibition, cosponsored by China Machinery Industry Federation (CMIF), China Council for the Promotion of International Trade Zhejiang Provincial Committee (CCPIT Zhejiang) and Wenzhou Municipal People's Government, co-organized by China Council for the Promotion of International Trade Wenzhou Municipal Committee (CCPIT Wenzhou), Longwan District People's Government and Yongjia County People's Government and executed and organized by Wenzhou Donnor Exhibition Co., Ltd., which is the president unit of Wenzhou Exhibition Industry Association. The fair is also supported by associations such as China Coatings Association, China Pipeline Committee, China Water Supply and Drainage Association, Henan Valve Association, Zhejiang Pump Valve Industry Association, Wenzhou Valve Association, Wenzhou Pipe Fittings Industry Association, Xiamen Valve Association, Tianjin Valve Association and Haixi Valve Association and it has strategic cooperation with numerous Wenzhou chamber of commerce. The fair connects with multiple channels and diverse media. China (Wenzhou) Int'l Pump & Valve Fair will be the best platform for supply and marketing, export, project, investment and factory inspection in December.

2. Introduction of Wenzhou Pump & Valve Industry and Overseas Investment

Wenzhou pump and valve industry, as the second largest output value of industry in Wenzhou, has nearly RMB 100 billion of annual industry. Wenzhou valve industry, in particular, accounts for 28% of China's valve industry, of which the total value of exports or purchases exceeds USD 2 billion. There are numerous Wenzhou valve manufacturers with large scale, some of whose registered capital and output value are over RMB 100 million. Many enterprises cooperate with large state-owned enterprises like CNPC, Sinopec and CNOOC and large overseas engineering projects.

Besides, Wenzhou owns the best stainless steel industrial base in China. It has the most competitive valve and pipe products in sanitary level in China in pharmaceutical, food and beverage and biotechnology industry. Numerous large enterprise clusters and outward-looking investment base make pump and valve industry become a very promising investment sector.

Wenzhou is a city well-known by its business and proud of doing business in China. Wenzhou chamber of commerce has the largest number among chambers of commerce word wide. There is a saying that “there is another Wenzhou outside of Wenzhou”. Perfect atmosphere of doing business and typical international connections makes Wenzhou a unique city for investment in China. Wenzhou enterprises such as Huaфон Group, Qingshan Group and Zhengtai Group appear at the events for business investment or exhibitions all over the world every year, covering the fields such as oil & gas, chemical engineering, pump and valve, light and textile industry, machine manufacturing and electric appliances.

In conclusion, it's an international professional functional exhibition held by government, coordinated by province, municipality and district, with impeccable hospitality, associated with government, enterprises and university, supported by chamber of commerce, association and media, gathered with group and enterprises above designated size and featured with export investment.
