II.2.14) Additional information

Section III: Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian companies: Company Registration Certificate.
- Foreign companies: Verification that the tenderer is registered in a company register, professional register or trade register in the country where the tenderer is established

III.1.2) Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

The contract owner will assess the size of the turnover, annual results, as well as key figures in the balance sheet.

Documentation requirement:

- A credit rating based on the most recent financial figures. The rating must be carried out by a credit rating company with licence to conduct this service.

III.1.3) Technical and professional ability

List and brief description of selection criteria:

Tenderers must have relevant experience from comparable deliveries as described in the tender documentation. Comparable means:

- Customers with a large geographical spread
- Large number of delivery/pick-up locations

Documentation requirement:

- Description of the tenderer's 3 most relevant contracts in the last 3 years.

The description must include information of the assignment's value, date and recipient. It is the tenderer's responsibility to confirm relevance through the description.

If a tenderer cannot refer to minimum 3 relevant deliveries in the last 3 years, documentation of relevant deliveries older than 3 years will be taken into consideration, however not older than 5 years.

Tenderers must have sufficient capacity and resources to execute the contract within the actual scope of the contract.

Sufficient capacity and resources to execute the contract means being able to deliver each the estimated volume of each lot to a large number of government entities over a large geographical area.

Documentation requirement:

- A statement must be given for the tenderer's average annual workforce and the number of employees in management in the last three years.

If the tenderer uses the capacity of other businesses, it must be documented that that tenderer has authority over the necessary resources by presenting a commitment statement from these businesses, see Annex 10 – Commitment Statement Template.

Section IV: Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 4
