Nor-Shipping is an international shipping exhibition and conference and one of the most important meeting places for the global maritime industry. In addition to the technology showcased by leaders in the market, Nor-Shipping is also the place to be to develop personal networks, build competence and share information. Visitor groups include ship owners and managers, shipyards, maritime organisations, port authorities and many more. The conference will feature both presentations and roundtable discussions.

The Nor-Shipping will take place on 4 days from Monday, 05. June to Thursday, 08. June 2023 in Lillestrom.

Warning about COVID-19
